

C
CLÉMENCE

Our goal is to create tableware that allow customers to enjoy the dishes with all their senses.
We have paid careful attention to every detail from various perspectives;
the curves of the form, light reflection, warmth, touch, and distance between the dish and customers.
Clémence has been created for culinary professionals who seek to provide a delightful dining experience.

- Material : Fine Porcelain(Premium White)
- Sizes are approximate and may vary slightly.
The sizes in () are the size for the inner rim.

Only these two items in the Clémence series are made of White Porcelain to keep meat and fish warm. The thickness of the material and the rise of the edge are also designed to ensure that the chef's main dish is served warm to the customers. The heat retention properties have been proven. (In-house comparison)
